Arcadia

Two souls in one  
A ship or friend  
We don't know  
What we feel about  
It's more than hopes  
It's more than dreams  
It's more than friendship  
Let us drink some glasses  
Speak a toast  
Suffering for forgiveness  
Let us forget the past  
Praying for a better future  
For all our death followers  
Hissed up the banner  
The flag of freedom  
Let it float  
In the wind of eternity  
The black banner  
Arcadia`s banner
