Von CharlieMichelle

## cuddling

It was a rainy day and Zim and Dib were sitting on the couch not knowing what to do but watch tv

Pov: Zim

I'm so bored I want to do something

I said to my best friend

We could go out said Dib to the Conqueror

Have you seen the sky it's raining and I can't get out because otherwise I'm dead

True sorry Zim

he said to him

Yes yes, it's ok

I said annoyed

Suddenly there was thunder and Zim got scared and clung to Dib

Dib took him in his arms and calmed him down

I'm not scared Dib I'm Zim

I said proudly

Come here you conqueror

Dib took Zim in his arms and snuggled him until Zim started to purr and Dib crawled him
